

# Basics for a Local Association

1. Listen to your members; get to know them
2. Express opinions on their behalf
3. Take some formal positions on education issues
4. Do some things (that matter)
5. Report to your members
6. Ask your members to help you; thank your workers; tell your members you appreciate the support
7. Evaluate what you are doing
8. Seek positive relationships with the bosses
9. Inform the Community who you are and for what you stand
10. Ask everyone to belong
